

Benefits for Qualified Dental Nurses at {my}dentist

- Our key purpose is to put **Patients First**
- Access to ongoing **professional development** and free CPD courses via the {my}dentist academy
- The opportunity to apply for **fully funded post qualifications** via our internal post qualification policy
- Flourish – our new internal **Dental Nurse Development Programme** launching in 2021
- **General Dental Council registration** fee (£116 per annum)
- **Medical Indemnity insurance** covered by mydentist
- **Free** uniform
- Pay rates which **automatically increase** as you gain more experience
- Opportunity to progress your career with access to **internal opportunities** in other practices
- A **Supportive** Management and Clinical structure including **Dental Nurse Forums** where you can offer suggestions and feedback
- Our **Community Matters** initiatives – getting involved in anything from charity events to local oral health education events
- Most of our practices offer a **mix of NHS and Private** allowing you to experience supporting anything from check-ups to facial aesthetics and beyond!
- Due to our size, we can provide the opportunity to cover in other practices, supporting different clinicians and treatments
- **Award Winning** Health and Safety Team ensuring our practices are always safe and compliant
- Opportunity to mentor our Student Nurses (with a **£250 mentor bonus**, when the student qualifies)
- **Recognition** via the Dental Nurse Heroes initiative
- Long service **awards** every 5 years
- Dedicated **Support Centre** helping your practice with everything from IT and facilities issues to handling overflow calls!
